

REMARKS

The specification has been amended to reflect the 371 status.

Figures 2, 5 and 9 are replaced with substitute sheets, corresponding to the substitute sheets submitted during prosecution of the original international application.

In addition, new claims 40-49 are added corresponding to the same new claims presented during prosecution of the international application.

Attached hereto is a marked-up version of the changes made to the specification by the current amendment. The attached page is captioned "**Version with markings to show changes made**".

Favorable action on the merits is solicited.

Respectfully submitted,

Masaaki UENAKA et al.
